What went poorly? What went well? Where did we have problems? What should we keep doing? What should we celebrate? What was frustrating to us or others? [Topic of the Where did we make progress? What held us back? retrospective] This implies that the law of one price does not hold in the Indian housing market. What ideas do you have? How should we take action? What ideas do you have for future work together? What do you believe we should do next? What specific things should we change? Where do you see opportunities to improve? What has untapped potential? What should extend beyond this meeting? See an example
